## Notifications concerning end of validity of a certificate

No notification at all, since, for example, the system used for auto-enrolment or mail gateway will handle the notifications or renewals.

Notification only to the RA Operators, but no notification to the certificate owner, 10 and 30 days before end of validity of the certificate require additional or other notifications, SwissSign shall comply with these requirements, irrespective of the selection made.

Certificate owners and RA Operators will be notified, 10 and 30 days before end of validity of the certificate.

The RA Operators will always be informed via the email address stored in the Customer's account.

**Autoenrolment for Personal S/MIME E-Mail ID Silver certificates**

The Customer wishes to **activate** the Autoenrolment for Personal S/MIME E-Mail ID Silver certificates. (This can only be ensured if the notifications are turned on).

The customer wishes to **deactivate** the Autoenrolment for Personal S/MIME E-Mail ID Silver certificates.

Autoenrolment will send emails 30 days prior to the expiration of certificates with the option of renewing the corresponding certificate.

**Please send the form to the following E-Mail:** [registration@swissign.com](mailto:registration@swissign.com)
